Complete Bibliography Palle E. T. Jorgensen. August 2006. All Jorgensen's publications are in refereed journals. In 2004, Jorgensen wrote 10 book reviews for Amazon.com and BarnesandNoble.com for math books (current total 115) used by mathematics graduate students in their courses. And they are cited by the American Mathematical Society, and many other sites. Works in Progress (papers more than half nished but not completed).
