"Prior to seeing the SAGE Dictionary of Sociology, I would have thought that a reference book that reads like a nonfiction bestseller was a conjurer's illusion. Miraculously, 'The Two Steves' (Bruce and Yearley) have pulled it off, and with a refreshing sense of 'brio'. This compendium sets a new level of excellence. The authors have succeeded at one and the same time in covering the sociological landscape in a comprehensive and authoritative manner while writing with an insouciance, dry wit and critical edge. They present key concepts, ideas and personalities suc
