Black Tuesday refers to October 29, 1929, when panicked sellers traded nearly 16 million shares on the New York Stock Exchange (four times the normal volume at the time), and the Dow Jones Industrial Average fell -12%. Black Tuesday is often cited as the beginning of the Great Depression. How it works (Example)Â The selling became intense on Wednesday, October 23, and the market fell -6.3%. By October 24, Black Thursday, the selling frenzy reached a critical mass and by Black Tuesday it turned to flat-out panic. The trading volume got so high that it delayed the ticker tape by more than an hour, which created confusion and anxiety. Some exchanges were so overwhelmed that they closed early.

The Domesday Book. by Ben Johnson. Hampstead is a pigsty! Residents of Hampstead might not be too pleased to learn that their exclusive London village once housed more pigs than people but this is just one of the fascinating insights to be gained from reading the Domesday Book. After the Norman invasion and conquest of England in 1066, the Domesday Book was commissioned in December 1085 by order of William The Conqueror. William needed to raise taxes to pay for his army and so a survey was set in motion to assess the wealth and assets of his subjects throughout the land.
