DESCRIPTON

Across America and the world dangerous New Age cults and religious groups are growing in strength and numbers. As many as 50 million Americans are now New Age cultists while millions of others are unwittingly dabbling and experimenting in the occult through direct or indirect involvement with New Age religious and political organizations.

This is the first authoritative guide to the New Age cults and religions infecting and threatening our society. This outstanding work carefully analyzes these groups, revealing substantial, detailed information to convincingly answer the questions most asked. It clearly contrasts the false--sometimes bizarre--and unorthodox teachings and practices of the New Cults with the Living Truths contained in the Holy Bible.
