The European Debt Crisis: The Greek Case (European Policy Research Unit Series MUP) [Costas Simitis] on Amazon.com. *FREE* shipping on qualifying offers. In this book, former Greek Prime Minister Costas Simitis examines the European debt crisis with particular reference to the case of Greece. Greece was the first Eurozone country to face an enormous deficit.Â 'Costas Simitis has been one of the most pro-European political leaders in Greece. In this book he charts the dramatic story of the Greek crisis. This is a lesson for Europe, particularly to those who want economic growth based on solidarity and employment. This is an important book for all progressive forces within the European Union.'
