These K-3 arts integration lessons have been cultivated from across a variety of content and fine arts areas to showcase high-quality, rigorous integrated instruction. Within these lessons, youâ€™ll also find links to STEM and Common Core Standards so you can ensure the very best and latest connections to relevant instructional strategies. Since the original list was created, the site words have been divided into lists for each grade level. Sight word games take the so-called "Dolch" lists of words and create interesting games to help children recognize these words quickly, easily, and fluently. Benefits of Using Games to Learn Site Words. Sight word games incorporate many techniques including flash cards, verbal cues and manipulatives. By using various techniques, educators reach children through the three major learning styles: Auditory.
