I'm thankful for the book I've brought but it does raise question a little, that maybe I should have reviewed my options a little more but in all I do think the Marriage and Family: The Quest for Intimacy is a good book to possess just think there could be more improvement and less biased propaganda and something not seeming as. its from feminist studies but more equilibrium without the assumption as men are more so batters or brutes, I've also notice that theirs a great deal proportion of accusations that make it seem like almost every thing is rape, assault or molestation (was Marriage and Family: The Quest for Intimacy Learn with flashcards, games and more " for free.Â need intimate relations and form family units to fulfill some of their intimacy needs. All of the following are true of bachelors in early American colonial life except: bachelor life was encouraged. Overall, \_ households have higher rates of poverty than any other group. single-mother. Children of single parents are more likely to be \_ than children of two-parent families. depressed.
