The American Revolution was a colonial revolt which occurred between 1765 and 1783. The American Patriots in the Thirteen Colonies defeated the British in the American Revolutionary War (1775â€“1783) with the assistance of France, winning independence from Great Britain and establishing the United States of America. The American colonials proclaimed "no taxation without representation" starting with the Stamp Act Congress in 1765. They rejected the authority of the British Parliament to tax them because
