My Christmas Wish List lets you share your list with a designated group or groups of family members and friends. And unlike other similar sites, this site gives you the ability to view what has already been bought for someone so you won't double-buy! It works just like a wedding or baby gift registry, but with more control. Is your family spread out across multiple cities? Don't have any easy way to share wish lists with each other? Do you ever wind up double-buying for someone, or receiving the same gift from two different people? Here is the answer! With our purchase tracking featu
