In mythology, a lunar deity is a god or goddess of the Moon, sometimes as a personification. These deities can have a variety of functions and traditions depending upon the culture, but they are often related. Some form of Moon worship can be found in most ancient religions. The monthly cycle of the Moon, in contrast to the annual cycle of the Sun's path, has been implicitly linked to women's menstrual cycles by many cultures, as evident in the links between the words for menstruation and for Moon in Mar 20, 2019. 7 Unusual Myths and Theories About the Moon. Earthlings have entertained many theories about the moon throughout history. Author: History.com Staff. Steve Russell/Toronto Star/Getty Images. Earthlings have entertained many theories about the moon throughout history. 1. Full moons make you crazy. Since ancient times, full moons have been associated with odd or insane behavior, including sleepwalking, suicide, illegal activity, fits of violence and, of course, transforming into werewolves. Indeed, the words "lunacy" and "lunatic" come from the Roman goddess of the moon, Luna, who was said to ride her silver chariot across the dark sky each night. The Moon (or Luna) is the Earth's only natural satellite and was formed 4.6 billion years ago around some 30-50 million years after the formation of the solar system. The Moon is in synchronous rotation with Earth meaning the same side is always facing the Earth. The first unmanned mission to the Moon was in 1959 by the Soviet Lunar Program with the first manned landing being Apollo 11 in 1969. Moon Profile.

In mythology, a lunar deity is a god or goddess of the Moon, sometimes as a personification. These deities can have a variety of functions and traditions depending upon the culture, but they are often related. Some form of Moon worship can be found in most ancient religions. The monthly cycle of the Moon, in contrast to the annual cycle of the Sun's path, has been implicitly linked to women's menstrual cycles by many cultures, as evident in the links between the words for menstruation and for Moon in *The Myth of the Goddess: Evolution of an Image* by Jules Cashford Paperback \$22.29.
