Citation: Yakel, Elizabeth 2005. Introduction to reference work in the digital age. Journal of the American Society for Information Science and Technology

A reference work is a book or periodical (or its electronic equivalent) to which one can refer for information. The information is intended to be found quickly when needed. Reference works are usually referred to for particular pieces of information, rather than read beginning to end. The writing style used in these works is informative; the authors avoid use of the first person, and emphasize facts. Many reference works are compiled by a team of contributors whose work is coordinated by one or more. Start by marking "Introduction to Reference Work, Volume I" as Want to Read: Want to Read savingâ€¦ Want to Read. Currently Reading. Read. Other editions. Enlarge cover. Want to Read savingâ€¦ Error rating book. Refresh and try again.Â Many of the reference items discussed in the book that are in book format, are now almost exclusively found online through library websites since most of the reference companies charge for these services. It is nice to read a textbook that is both enlightening and entertaining. Katz writes in a conversational language that is easy to understand. Part 1: Introduction / 1. Reference Service and the Community 2. Information and the Community. Part 2: The Internet and Reference Services / 3. The Internet 4. Internet Reference Libraries 5. Networks and Information Costs 6. The Time of Full text. Part 3: Interview and Research: 7. The Reference Interview 8. Rules of the Search. Part 4: Instruction and Reference Policies: 9. Instruction in Information Literacy 10. Reference Service Policies and Evaluation. Bottom line: A far better-written book than Volume I that offers a good grounding in what reference work is all about and the directions
